

## LAUTERBACH WITNESS AT "LOBBY" PROBE

**Pleads That He Has Been  
Innocent Victim in "Vic-  
carious Sacrifice"**

### ON STAND ALL DAY

**Witness Admits Most of Facts  
Alleged by Ledyard and His  
Long Association With Lamar**

### DIFFICULTY RECALLING DATES

WASHINGTON, July 7.—The strange tale of Wall Street operations begun before the senate's lobby committee last week by David Lamar, had another chapter added today when Edward Lauterbach, Lamar's associate in many undertakings, pleaded that he had been the innocent victim in "vicarious sacrifices" in negotiations that have involved the Morgan firm, the steel interests, New York attorneys, members of congress and men of lesser prominence.

**Had Testified Previously.**  
Lauterbach had already testified before the committee but since his formal appearance Lamar had told his unexpected story, involving himself and Lauterbach in the preliminaries of the steel trust investigation and an extraordinary effort to restore Lauterbach to the good graces of the Morgan firm and Lewis Cass Ledyard had added his sworn statement that Lauterbach had represented himself as the emissary of Speaker Clark, Senator Stone and Democratic leaders in an effort to effect a "reconciliation" with the Morgan steel interests and shut off investigation or opposition in congress.

Lauterbach, long prominent in legal circles in New York, sat all day under a searching fire of questions from senators on the lobby committee. He admitted voluntarily or under the demand of his questioners, most of the facts alleged by Ledyard but he declared that throughout the negotiations between Lamar and himself and between himself and members or representatives of the Morgan firm, he had been the innocent victim of those who had concealed facts of made misrepresentations of him.

**Admitted Association With Lamar.**  
The witness admitted his long association with Lamar and said it had been an honorable connection and a profitable one for him. He told of talking over with Lamar the steel trust investigation and of seeing the proposed resolution and of admitting urging Lamar to withhold it until he could see J. P. Morgan and others and urge them to authorize him to prevent its introduction.

Throughout the entire proceeding he declared there was no thought of reward on his part. "He raised himself in the witness chair and shouted 'No!' with vehement emphasis when Senator Reid suggested that there had been effort 'to shake down' the Morgan steel trust interests. 'That insinuation is an insult and an outrage,' he exclaimed. Lauterbach admitted he had told Mr. Ledyard that he had authority of Speaker Clark transmitted through Senator Stone to make certain 'proposals for peace' to the Morgan interests, but said this authority came from Lamar. He declared he had never seen Clark or Stone but had been assured by Lamar that the latter knew Senator Stone and that he had made the arrangements for Lauterbach-Ledyard interview with the approval of Stone and the speaker.

**Recalls Dates With Difficulty.**  
Throughout the day's investigation Lauterbach recalled dates and circumstances with difficulty and could not fix the time of his visits to Washington or of his conferences with Lamar. He insisted that he did not know Lamar had telephoned Ledyard in the name of Representative Palmer to make an appointment for him but he declared he believed that when he went to Ledyard's house that Senator Stone had telephoned to Ledyard. He supposed then, he said, that Ledyard had full authority to represent Stone. To all questions of the committee Lauterbach insisted that he did not look for pecuniary reward in carrying information of the steel resolution to the Morgan firm or in conferring with Mr. Ledyard over the proposed agreement between Democratic leaders and the Morgan interests.

Lamar was present throughout the day's sessions and was held for tonight's meeting of the committee, at which he had asked permission to make a statement. Both he and Lauterbach announced that they would waive any immunity from prosecution that they might otherwise enjoy from having testified at the committee hearing.

The lobby committee planned to finish the Lamar-Lauterbach testimony tonight and to take up the wool and sugar lobby investigation tomorrow. It was believed the Mulhall letters which will form the basis for an investigation of the activities of the Association of Manufacturers would not be reached until Wednesday or Thursday.

## CUBAN NATIONAL POLICE CHIEF MORTALLY SHOT

**RECEIVES WOUND IN PISTOL FIGHT  
IN HAVANA**

Governor of Havana Province involved in fighting which was outcome of Raid Made by General River on Asbert Club.

HAVANA, July 7.—General Armando River, chief of the national police, was shot and mortally wounded during a pistol fight this evening in the most crowded portion of the Prado.

General Ernesto Asbert, governor of Havana province, Senator Vidal Morales and Representative Arias were involved in the fighting which was the outcome of a raid made by General Riva Saturday night on the Asbert club, when a large number of members were caught gambling. They were arrested and sentenced to a heavy fine.

Governor Asbert complained to President Menocal, who, it is understood, sustained the action of the police.

General Riva, while driving this evening with his two young sons, stopped his carriage in front of the Asbert club and caused the arrest of the doorkeeper for illegally carrying a revolver. Asbert, Morales and Arias arrived in an automobile about the same time and a heated dispute arose.

According to the stories of witnesses, Asbert and Morales opened fire, General Riva falling with a bullet in his head and another in his abdomen. A number of the police opened fire but the Asberts escaped in their automobile. General Riva's coachman was shot two times and two bystanders received bullets.

At the hospital, where the physicians said Riva might not survive, Riva accused Asbert of shooting him. Immediately after the shooting Governor Asbert and his companions hastened to the country residence at Marianao of President Menocal, to whom they made a statement, the purpose of which, however, has not been given out. Then the governor and his friends returned to Havana and surrendered themselves to a magistrate, by whom they were provisionally detained.

### MONMOUTH MAY NOT CONTINUE SEASON IN CENTRAL ASSOCIATION

**Mid-Season Meeting of League Not  
Attended By Monmouth Represent-  
ative—Two Over Salary  
Limit.**

Burlington, Ia., July 7.—The annual mid-season meeting of the Central association was held here today and it developed that Monmouth was in a bad condition and not likely to continue in the league during the season. Monmouth was not represented at the meeting and long distance telephone conversations with responsible parties back of the team there produced no satisfactory assurance of the city continuing. A committee was appointed to investigate and either fix the conditions at Monmouth or transfer the franchise to some other city. The question of violation of the salary and the player limits was brought up and some sensational charges made and it looks as though several team managements will be severely fined.

President Justice stated that so far as he could see only Burlington, Cedar Rapids and Kewanee were under the limit. A number of other minor matters were transacted.

Waterloo was sharply criticized for being over the limit in salaries and so was Ottumwa. President Justice asked what should be done about the matter and the decision of those present was that he should assess the fines and let the cities assess prove their innocence if they can.

The question as to the successor of Monmouth if that city gives up its franchise include strong talk of Clinton or Galesburg. The latter would make an easy change as it would not be necessary to revise the standing.

**J. P. DOAN IN LIVERY RUNAWAY.**  
J. P. Doan narrowly escaped serious injury in a runaway Sunday afternoon about four miles south of the city, when his horse became frightened when at the top of Big Sandy hill and ran down the hill and a quarter of a mile farther on, turned the buggy over. Mr. Doan and his son, who were riding in the buggy, were thrown out and the buggy fell on top of them. Although both were painfully bruised, neither was badly hurt. When the buggy overturned the horse became free and ran on to the Doan residence. The accident occurred near the residence of J. H. Cain, south of the city, and one of the Cain boys brought Mr. Doan and his son to town.

### MONDAY IN CONGRESS.

**Senate.**  
Met at 2 p. m.  
Lobby investigation resumed.  
Democratic caucus considered unit rule.

**House.**  
Not in session, meets Wednesday.  
Public and committee held hearing on Hetch-Hetchy water project.  
Adjourned at 3:57 p. m. to 2 p. m. Thursday.

## FOUR FINANCIAL INSTITUTIONS FAIL

**First-Second National  
Bank of Pittsburg Order-  
ed Closed by Government**

### AFFECTS OTHER BANKS

**Secretary McAdoo in a State-  
ment Declares General Bank-  
ing Conditions are Sound**

### EXPECT NO FURTHER TROUBLE

PITTSBURGH, Pa., July 7.—The First-Second National bank of Pittsburgh, the First National bank of McKeesport, a neighboring city, The American Waterworks and Guarantee company and the banking house of J. B. and W. S. Kuhn, Inc., of this city, were forced into the hands of the receivers today, through the failure of the first named institution to open its doors this morning. The closing of the First-Second National bank was ordered by the deputy controller of the currency, T. P. Kane, after every effort had been made to meet the government requirements as to the legal reserve.

The Kuhn banking house has extensive interests in irrigation projects throughout the west and mines and street traction systems throughout western Pennsylvania, besides being a dominant factor in the American Water Works and Guarantee company.

W. S. Kuhn was president of the First-Second National bank, vice-president and director in the banking house and vice-president and director of the American Water Works and Guarantee company, besides being a director of McKeesport bank.

J. S. Kuhn was a director of the First-Second National bank, president and director of the American Water Works and Guarantee company, president and director of the McKeesport bank and chairman of the board of directors of the banking house.

**Steps Taken to Protect Kuhn Bank.**  
When it was learned that the banks would have to suspend business, steps were taken to protect the American Water Works and Guarantee house and application was made in the federal court this afternoon for receivers for both institutions. Throughout the day a statement of the banks and affected companies' affairs was awaited with feverish anxiety but none was forthcoming until tonight, when Mr. Kuhn made a formal statement. No statement of the condition of the bank was issued subsequent to the one issued June 4, on the last bank fail of the country. Mr. Kuhn's statement is to the effect that the directors of the First-Second National bank, the results of the recent investigation of the bank examination were discussed and the directors declared their inability to make good the bank's impaired capital and that in the interest of all concerned it was deemed best to have the controller of the currency take charge. He says the officers of the bank are of the opinion that there will ultimately be but little if any loss to the bank's depositors.

**McAdoo Issues Statement.**  
Washington, July 7.—Secretary McAdoo, in a statement tonight, declared that the general banking condition in Pittsburgh, as well as in the entire country, was strong and sound and that he expected no further trouble as a result of the failure of the Pittsburgh First-Second National bank. It developed tonight that one fact which drew the critical attention and suspicion of the treasury department to the bank's condition was a discrepancy of nearly \$2,000,000 between the sworn report to the controller of the currency as to the bank's condition on June 4 and what should have been a true copy of the report published by the bank in the newspapers of Pittsburgh.

The report to the comptroller showed assets and liabilities aggregating \$39,997,347.10, while as given to the Pittsburgh newspapers for publication the report placed the totals at \$38,193,843.39, the \$1,803,503.71 difference representing discounts or borrowed money. Officials declared that this was illegal.

Reports to the department indicate that one-third of the \$3,400,000 capital stock of the bank has been impaired and that the surplus and profits have been wiped out. While details are lacking, estimates based upon the last report to the comptroller of the currency indicate that at this rate the losses might reach \$3,000,000. The report submitted to the comptroller June 4 showed total resources of \$39,997,347.10. In the liabilities the amount of deposits is placed at \$16,218,181.69 and amount due banks and bankers, \$14,652,736.25. The capital is \$3,400,000; surplus and profits, \$1,950,068.45; and circulating notes, \$1,882,900.

The report for the first National of McKeesport which also closed its doors today showed capital \$200,000; surplus and profits, \$569,500; individual deposits, \$2,444,500; loans, \$2,923,000; cash, \$221,680.

## TWO FATALLY INJURED IN PEORIA EXPLOSION

**THREE BURNED IN ACCIDENT AT  
CLARK DISTILLERY**

Electric Light Bulb Lowered Into Kettle of High Proof Whiskey Breaks and Spark Touches Off Gas in Kettle—Fire—Breaks Out in Building.

PEORIA, Ill., July 7.—Three men were seriously injured, two of them fatally, in an explosion at the Clark distillery this afternoon.

The injured: William Denson, dry gauger, burned, will die.  
Fred Steckel, laborer, burned, will die.  
Charles Mooney, laborer, badly burned, not serious.

Fire broke out immediately following the explosion and gave the firemen a hard struggle to keep the flames confined to the one building. The accident occurred in the distillery room. Workmen had just emptied a big copper kettle of high proof whiskey and accidentally let a block of wood fall into the receptacle. A man was lowered into the vat and later an incandescent electric light bulb was sent down to him. The bulb struck against the side of the vat, broke and an explosion followed. An electric spark had touched off the gas in the kettle. The three men were picked up unconscious. Fire broke out and a second explosion followed and for a time threatened the big warehouses. Robert D. Clark, one of the owners tonight said the loss would not exceed \$30,000.

### MANY DEMOCRATS NOT PREPARED TO SUPPORT CURRENCY BILL

**Chairman Glass Stated that Measure  
Was Not His, But a Compromise—Free Interchange of Views.**

Washington, July 7.—When the Democratic members of the house banking and currency committee met today to perfect plans for normal meeting beginning tomorrow for consideration of the administration currency bill it was apparent that some of them were not prepared to support the measure as introduced. Chairman Glass stated at the outset that the measure was not his, but a compromise and that every member of the committee should feel free to offer his amendments as he thought would strengthen and improve the bill.

There was a free interchange of views which he proposed to lay before the committee. Representative Eagle of Texas said he had canvassed many members of the house and that he believed the bill could get through the house without caucus and reserved the right to make a statement of his views upon the floor of the house if the caucus approved the bill in its present shape. Representative Baileys of Ohio, was against the present form of the measure and Representative Neely of Kansas declared that its serious defects should be remedied before the Democratic majority assumed responsibility for it.

### DECATUR PHYSICIAN INJURED IN AUTO ACCIDENT AT PEORIA

Peoria, Ill., July 7.—Dr. William Barnes of Decatur was painfully injured this afternoon when his car turned turtle coming down the steep hill south of East Peoria on the Springfield road. The car was being driven by Tom Cannon, his chauffeur when the wheels got into a rut. In trying to get out he lost control. The machine turned over with Dr. Barnes and the chauffeur underneath. Cannon received a broken shoulder blade and other injuries. The other occupants of the car were Frank Powers and W. J. Grady, both of Decatur. They escaped with slight bruises. Dr. Barnes and the chauffeur were hurried to a hospital in this city.

### BLOOMINGTON TEAM HERE.

The Bloomington baseball team of the Three Eye league, enroute to Quincy, was registered at the Dunlap hotel Monday night. Harry Syfert, manager of the team, was with them. Harry was calling on a number of friends yesterday. He used to wear a Jacksonville uniform when he pitched for the locals in the Northern association. After leaving here he went to Winnipeg where he won the pennant. He is one of the best in the business.

### RETURN FROM EASTERN TRIP.

Commissioner J. F. Brennan and J. W. Catherwood superintendent of the light plant returned at noon Monday from Hoboken, New York, where they went to examine some electric machinery for the city. The engine and generator were found to be in excellent condition and a number of concessions were secured which made the trip well worth while. Equipment has also been examined in Chicago, Peoria and Bloomington.

### CHARGED WITH BOOTLEGGING.

Frank Rogers was arrested Monday by Officer Eads charged with selling liquor in anti-saloon territory.

### COOPER WINS ROAD RACE.

Tacoma, Wash., July 7.—Before a crowd of 20,000 persons, Cooper, in a Stutz car, won the 250 miles free-for-all Montanamarathon road race here today over a three and a half mile track. Cooper's time for the 250 miles was 3:32:08 1-5.

## BULGARIAN FORCE APPEARS AT VRANIA

**Tendency Is to Confirm  
Belief That Servians are  
Suffering Defeat**

### NEWSPAPERS CENSORED

**Little Is Being Heard of At-  
tempts to Stop War—News  
of Fighting Contradictory**

### WOUNDED DESCRIBE BATTLES

LONDON, July 7.—The most important news from the seat of war today is the report, confirmed from Sofia, of the appearance of a large Bulgarian force at Vrania.

Still more significant is the tendency to confirm the belief that the Servians are suffering defeat, the announcement from Belgrade that only meager reports are being received from the Servian army headquarters and that the government has decided to publish reports only on alternate days. In addition a rigorous censorship on the newspapers is being enforced and the publication of special editions has been stopped.

**Servian Wounded Describe Battles.**  
The Servian wounded describe the battles as almost inhuman in their ferocity, the men throwing away their fire arms and using their bayonets as daggers. This accords with the information from many sources of the sanguinary character of the fighting and the wholesale slaughter witnessed in the present struggle.

Whether the policy of the European powers may be, little is now heard of attempts to stop the war. The ambassadorial conference met in London again today but apparently did little except discuss the boundaries of Albania. Meanwhile, Roumania and Turkey give signs that they will not long be idle spectators and the Balkan states continue the struggle which will paralyze them for years to come.

News of the fighting continues contradictory in character. It is almost invariably from official sources in the respective capitals; no independent testimony is available. This applies equally to the struggle between the Greeks and the Bulgarians and between the Servians and Bulgarians. A despatch from Saloniki reports that the Greeks have occupied Demir-hissir and Strumitza, and, according to the most likely information the Bulgarian general, Ivanoff, has been slowly retiring before the superior Greek forces northward since his army was weakened by the departure of his right wing to attack Kerevolak. It should be noted that another despatch asserts that General Ivanoff has an unexpected, attack, scattered the Greek army of 80,000 commanded by King Constantine occupied Nigrita and other points on the Greek line. It is possible that both reports are correct and that the cridding victory to General Ivanoff has reference to a later date after the Bulgarian commander was reinforced.

An interesting detailed report from the Greek official sources of last week's operations describes how the Bulgarians by incessant labor had transformed Kiklis into another plevna with a surprising extent of trenches, guns and defenses and asserts that the Greeks by the successful advance prevented the execution of a plan for a Bulgarian attack on Saloniki.

### Turkey Requests Evacuation.

Constantinople, July 7.—The sublime porte has sent a telegraphic message to the Bulgarian premier, Dr. Danef requesting the evacuation by the Bulgarians of the territory comprised within the Enos-Midia line as soon as possible. The necessary preparations for the advance of the Ottoman troops are proceeding.

### Announce Fresh Servian Victories.

Vienna, July 7.—Despatches received at Vienna tonight from Belgrade show how impossible it is to gather any idea of the real situation from the official statements disseminating from Belgrade and Sofia. One despatch from Belgrade, announces fresh victories for the Servian troops who are said to have captured the Bulgarian position at Kiklis, on Osgowia plain, as well as Rujan Heings. It is also asserted that the way to Kustendil now lies open to the Servians and that the Bulgarians on Sunday tried to cross the frontier near Ohrenova, north of Piro, but were driven back with heavy losses.

Another message from Belgrade, by way of Semlin, where the correspondents evaded the censor, say private advices regarding the disaster to the Servian Timok division and the critical position of the Morava division have become known in Belgrade and have caused the deepest depression. It is added that the Morava division has been shattered and the last levy, comprising all males between sixty and eighteen years of age has been summoned to arms.

Eight thousand wounded, according to this message have been brought to Belgrade.

## MANY MINERS REFUSE TO RETURN TO WORK

**MILITANT LEADERS DECLARE THAT  
STRIKE IS STILL ON**

Strike Leaders Condemned and One of Speakers Announced the Organization of a New Union of South African Workers.

JOHANNESBURG, July 7.—Many of the gold miners refuse to return to work. At a meeting this afternoon militant leaders delivered fiery speeches to the 3,000 assembled and a resolution declaring that the strike was still on and condemning the strike leaders was carried. One of the chief speakers announced the organization on a new union of South African workers, which he said would be a revolutionary party. Efforts are now being made at Braamfontein to bring out the railway workers.

A dispute is on over the actual terms settlement which General Botha, the ex-premier and General Smuts, minister of mines, made with the unions. The unions assert they insist upon the government provide for miners whose places were taken by strike-breakers, until places can be found for them.

General Botha replied that that was a matter for the department of justice, but giving the impression that he favored amnesty. Attempts to dynamite the Rand Club and other buildings are feared. The club is barricaded and armed members patrol the premises day and night. The residences of the mine owners are guarded by soldiers. An attempt to destroy the railroad between Johannesburg and Germiston was made during the night, but failed. The only newspaper published to day was a four page sheet issued by the printers union.

Twelve thousand members of the trades unions marched to day at the funeral of the victims of the riots. The right Rev. Michael Bolton, Lord Bishop of Pretoria, who officiated, begged the multitude to return to their homes peacefully, out of respect for the dead. The spokesman of the trades federation made a similar appeal.

"Dispersed quietly," he said, "Let none say that we are a disorganized rabble."

Among the wreaths was one from the Socialist party inscribed: "In memory of our martyrs foully murdered in cold blood by the capitalist class."

At the end of the ceremony the Socialists assembled outside the cemetery and sang "The red flag."

### Demand Explanation.

London, July 7.—The labor members of the house of commons to day demanded from the government an explanation of the use of troops against the striking miners in Johannesburg, South Africa and Robert Outhwaite, a liberal member moved the adjournment of the house as an expression of disapproval but the speaker declined the motion. James Keir Hardie, the socialist, then demanded to know who was responsible for the action of the troops. Mr. Lewis Harcourt, secretary for the colonies said Vis Count Gladstone, governor-general of the Union of South Africa, had sent 350 soldiers to Johannesburg at the request of officials there after 1,000 special police had proved unable to check the riots.

### BACK FROM GETTYSBURG.

M. Helenthal and M. Jensen returned from Gettysburg where, as guests of Uncle Sam they went to take part in the anniversary exercises. Mr. Helenthal met with five other members of Company C, 82nd Illinois and Mr. Jensen also found some old comrades. Both veterans are enthusiastic about the arrangements made for their comfort and entertainment and say that nothing has been forgotten which should have been done. Before returning Mr. Helenthal visited his son Edward at Honey Brook, Pa.

### WRONG INITIALS GIVEN.

In mentioning Sunday that Frank E. McDougall had been specially honored by an appointment from the grand master and chief examiner of the I. O. O. F. Sunday an error was made in his initials. Frank McDougall has taken such an active part in Odd Fellowship that possibly most readers did not notice the error but this correction is nevertheless made.

### DROWNED IN MISSISSIPPI.

Clinton, Iowa, July 7.—Vernal, the eight year old son of Vernon Galster of Joliet, Ill., was drowned today when he fell into the Mississippi river from the house boat in which the family was enroute to St. Paul.

### WEATHER INDICATIONS AND TEMPERATURES

Washington, July 7.—For Illinois: Thunder showers Tuesday or night and probably Wednesday; moderate winds mostly east to southeast.

**Temperatures.**  
Chicago, July 7.—Current, maximum and minimum temperatures today were:

	Current	High	Low
Boston	68	72	60
Buffalo	70	72	60
New York	72	76	64
New Orleans	90	94	68
Chicago	72	77	63
Detroit	72	76	50
Omaha	84	90	66
St. Paul	82	82	62
Helena	82	84	62
San Francisco	66	68	49
Winnipeg	70	72	52

## DEMOCRATS DECLARE BILL PARTY MEASURE

**Forty-Seven Senators  
Promise to Vote for Un-  
derwood-Simmons Bill**

### PROMISE NOT BINDING

**Two Refuse Because of Propo-  
sal in Sugar Schedule—Two  
Absentees Favor Measure**

### SATISFIED OVER OUTCOME

WASHINGTON, July 7.—Forty-seven senators stood up in the party caucus late to day and declared their intention to vote for the Underwood-Simmons tariff revision bill as finally approved by the caucus a few minutes previously. Two senators, Randall and Thornton of Louisiana stated that they would not make such promise because of the proposal to place sugar on the free list in 1916. Senators Hitchcock of Nebraska and Culberson of Texas were absent but both are known to be in favor of the bill. This gave the Democrats forty-nine votes for the bill or a slender majority of one with the vote of the vice-president to fall back on in case of emergency.

**Promise Not Made Binding.**  
An absolute resolution was not adopted, a joint resolution being substituted and that joint was put only on the ground of personal promise and was not made binding. A resolution was adopted however, declaring the Underwood-Simmons bill a party measure and urging its undivided support without amendment unless such should be submitted by the committee. Senator Newlands of Nevada, cast the only vote against the resolution but Senators Shafroth of Colorado, Randall and Thornton did not vote.

The resolution was as follows: "Resolved, that the tariff bill agreed to by the conference in its amended form is declared to be a party measure and we urge undivided support as a duty by Democratic senators, provided, however, that the conference of the finance may, after reference or otherwise, propose amendments to the bill."

**Satisfied Over Outcome.**  
Senator Kern, chairman of the conference, Mr. Simmons of the finance committee who have fought hard for the measure and other administration leaders expressed entire satisfaction over the outcome and declared their confidence that enough votes were personally pledged to assure the passage of the measure with free wool and free sugar included. It became at once apparent when the caucus convened that a resolution which would bind members absolutely to the bill without amendment was distasteful to many senators. The resolution therefore was modified and presented in the form of a party declaration. Before this was put to a vote, the motion was made that senators be asked flatly as to their intention regarding the measure and this was agreed to. The roll was then called. On this roll call the Louisiana senators stated that it was not their intention to support the bill without amendment. Senator Newlands said that he had not definitely made up his mind as to certain amendments he might urge, but declared it was his intention to stand by the party measure.

**Forty Five Vote "Aye."**  
Senator Shafroth explained that he did not want to be bound to support the bill but that it was his present intention to vote for it. All the other members present, 4 voted "aye" on the roll call. These, with Senators Hitchcock and Culberson absent, but accounted for, constitute the Democratic membership of the senate, 51.

Senator Simmons tonight expressed satisfaction with this showing and said that the bill will be reported sometime this week possibly Thursday and it will be ready for general debate next week. Before final action on the bill the caucus gave concessions to the senators from wool growing states by adopting an amendment making effective and provisions for free raw wool on December 1st, 1913 and the rates on manufacture of wool January 1st, 1914. Earlier in the day the finance committee had voted to recommend the dates as October 1st, and December 1st respectively but the caucus voted for the further delay.

This action completed the revision of the Underwood bill, which has occupied the finance committee majority and the caucus since May 7th.

**HELD PATRIOTIC SERVICES.**  
Patriotic services were held Sunday evening at the Brooklyn M. E. church, a large audience being in attendance. H. H. Bancroft made an address on "The Foundation of Independence" and Rev. H. S. Alkire spoke of "Lincoln at Gettysburg." There was a solo by Mrs. A. M. Roberts, who is a favorite with the Brooklyn people, a reading by Miss Sue Fox and vocal solo by W. A. Happy. The placing of the flag over the electric lights brought a cheer from the audience. The entire service was impressive and instructive.

## SCHRAM

### JEWELER

WOULDN'T you like a pink cameo brooch, a coral cameo ring or scarf pin, a solid gold bead necklace, some iridescent enamel collar pins, a wristlet watch a handsome bracelet or a diamond ring?

This institution and its purposes are sufficient guarantee that you can get "just what you want."

**Schram**

WE DO REPAIRING

## NO ACCIDENT

## "CAINSON FLOUR"

There are many sound scientific reasons why you should use

## "Cainson Flour"

It is economical. Ask some one who uses it.

**SOLD BY ALL DEALERS**

### TRAIN LOAD OF IMMIGRANTS.

A train load of immigrants went through the city Monday night at 7:15 o'clock on the Wabash. The train stopped for a few moments and about twenty of the men got off and walked up North Church street, inquiring if there were any saloons along the street. The men are on their way to the wheat fields of Kansas.

### Ridley Spring Water. Ehnie's.

**U. C. T. BOOSTERS.**  
The U. C. T. Boosters will hold their monthly meeting Thursday from 3 till 5 with Mrs. L. R. Craig and Mrs. C. T. McKee as the hostesses. The meeting to take place at the home of the former, 402 North Fayette street. Boosters and others associated with the order are asked to notify the hostesses if they expect to be present.

### HAS MOVED OFFICE.

P. P. Thompson, attorney, has removed from Morrison block to Ayers National bank building, suite 705.

### AUTOMOBILE NOTES.

A party of automobilists had a narrow escape Sunday night, at one of the road crossings where a new bridge is being put in. A lady was driving the car and did not notice that the bridge was being repaired until she was right upon it. The man in the front seat jerked the steering wheel which shot the auto to the side, running it into the ditch against the fence. Another party who happened to be along at that time helped to get the machine out. It was a close call and the occupants were congratulating themselves. There is a bridge being repaired in the vicinity of Woodson, close to a railroad track. A party coming into the city Sunday night report that they almost ran into the open space. Wherever a bridge is out and a new one being put in there should be a red light at both ends of the bridge. If the night should be unusually dark, there would be greater danger for the people driving horses as lights from the machines afford some little warning. One automobile owner yesterday in discussing the affair stated that he feared the county would be called upon to pay an unusually large damage suit if more precaution was not taken.

### Road in Bad Shape.

There is a stretch of road between Murrayville and Manchester that could be wonderfully helped. In some places high piles of dirt have been scooped up in the center of the road and left there for weeks. Machines and other risks in passing are called upon to go over these big bums in order to get by. The grading too, is made in such a manner that the water settles in the middle of the road in some places. A few hours work shoveling dirt at the approaches of various bridges would be a great boon to all conveyances and save many a hard bump.

### Auto Trip to Chicago.

Richard Vasey and Bert Young left Monday for an automobile trip to Chicago. They expected to reach Bloomington last night and to reach Chicago some time today. They are making the trip in Mr. Young's Buick.

Dr. and Mrs. H. C. Fortune of Litterberry motored to Franklin Sunday and spent the day at the home of Prof. and Mrs. Jones.

### Car Won Prize.

Miss Evelyn Craven has returned from a visit to Waverly. On the fourth Miss Craven helped to decorate the automobile owned by Mr. Harrison, which won the prize. The car was decorated in patriotic colors.

Jay Rodgers and Fred Hopper were automobile visitors to Waverly Sunday.

### On Long Journey.

Mr. Rottger and party from Clinton, Mo., were at O'Donnell garage Monday. They were driving a Chalmers six and were on their way to Boston, Mass.

Albert Uhken and family of Chapin spent Sunday with relatives and friends in Jacksonville. They made the trip in their Glide automobile.

George and J. P. Woods of Franklin were in the city Monday in their Buick car.

Mr. and Mrs. Frank J. Kaiser of Alexander made an automobile visit Sunday to friends west of New Berlin.

### GOOD ADVICE

A Jacksonville Citizen Gives Information of Priceless Value.

When you suffer from backache, Headaches, dizziness, nervousness, Feel weak, languid, depressed, Have annoying urinary disorders; Do you know what to do? Some Jacksonville people do. Read the statement that follows. It's from a Jacksonville citizen. Testimony that can be investigated.

P. J. Meany, blacksmith, 333 North East street, Jacksonville, Ill., says: "When I used Doan's Kidney Pills two or three years ago, they fixed me up in good shape. My kidneys ached me terribly and my back would ache when I stooped. The action of my kidneys was irregular. Doan's Kidney Pills not only stopped the pain but regulated the kidney action."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Meany had—remedy backed by honest testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

When your back is lame—Remember the name.

### FINAL SPECIAL TAX NOTICE.

In the matter of the special tax of the city of Jacksonville for the construction of a vitrified pipe sewer on Doolin avenue and Cox street.

Notice is hereby given to all persons interested, that the Board of Local Improvements of said city has heretofore filed in the county court of Morgan county, Illinois, in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity to the requirements of the original ordinance, therefore.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said court on the 24th day of July, A. D. 1913, at 9 o'clock or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Board of local improvements of the City of Jacksonville, Ill.

By E. M. Henderson, Secretary.

Dated Jacksonville, Ill., June 9, 1913.

### MATRIMONIAL

#### Harrison-Green.

The many friends of J. Carl Green, son of Mr. and Mrs. J. M. Green of Lamar, Mo., who recently moved there from Morgan county, will be surprised to learn of his marriage last Thursday to Miss Edith Harrison. The Lamar Democrat in speaking of the marriage says:

"Mr. J. Carl Green and Miss Edith Orallada Harrison were united in wedlock at this city Thursday afternoon. The ceremony was performed by Rev. Mr. Brown of the Methodist church. The groom is the son of Mr. and Mrs. J. M. Green, who lives and operates a large farm out east of town. The pretty July bride is the daughter of Mr. and Mrs. W. Harrison, who owns and operates a nice farm northeast of town. Miss Harrison came to Barton county five years ago with her parents from Illinois. Mr. Harrison bought the farm north of Bushnell which is known as the Cahall place, which he has greatly improved since that time. Mr. Harrison and his family are held in high esteem by all who know them. Mr. Green came to Barton county from Morgan county, Illinois, two years ago and settled upon the Rudisale place, which has been made very pretty since that time. Mr. and Mrs. Green will make their home with the groom's parents, Mr. and Mrs. James Green. Both are popular young people and start out in life most auspiciously."

#### Terry-Axford.

Charles M. Terry and Miss Hazel Axford of Bay Center, Wash., were married at the apartments on North Third street, between Market and Highland avenue, at 11 o'clock by the Rev. H. S. Cooley, of the Methodist church. Those present were Mr. and Mrs. W. A. Brown, Mrs. Bert Doremus and Lee Craven.

The ring ceremony was used. The house was decorated in green and white roses. After the ceremony a wedding luncheon was served. The bride arrived on the Breakwater this morning. The groom is a painter and employed by Miller & McLeus and has been here since the first of the year. The Coos Bay Times, Marshfield, Ore.

The groom is a son of James Terry, formerly of this city but now of Quincy, and a brother of Mrs. G. F. LaRue and Mrs. W. R. Moody of this city.

#### Kennedy-Suel.

The marriage of Louis Elvin Kennedy of Beardstown and Miss Mabel N. Suel of Louisville, Ill., was solemnized Sunday morning at 8 o'clock at the home of the groom's uncle, D. E. Kennedy, 1325 West Lafayette avenue, Rev. J. W. Miller of Grace M. E. church officiating. After congratulations a wedding breakfast was served. The newlyweds left on the 10:20 Wabash for Beardstown, where Mr. Kennedy has a government position as a carpenter. The wedding was witnessed by only immediate relatives of the young people. The groom is the son of Mr. and Mrs. W. Z. Kennedy of Wilmore, Kansas.

#### Wood-Terrill.

Relatives in the city have received the news of the marriage of Arthur L. Wood, son of Mr. and Mrs. A. A. Wood of this city, to Miss Jean Terrill of Jamestown, N. D. The wedding occurred a week ago at Grafton, Ill. They will reside in Jamestown where Mr. Wood is manager of the Western Union office.

They made the trip in their automobile and expect to leave soon for a visit in Bushnell and Macomb before returning to their home. They were accompanied by Mr. and Mrs. Harry Eberts, who will make their home in this city.

\$2.50 Round trip to Chicago via Wabash.

**MISS NEISLER**  
**RECOVERING NICELY**  
Miss Delta Neisler who was recently knocked to the pavement on East State street by an automobile driven by Mrs. W. B. Rexroat will probably return to her home in Litchfield within a few days. Miss Neisler was recently taken to Our Saviour's hospital because she had not fully recovered from the bruises resulting from the collision. She was staying here at the home of a friend and thought for that reason it would be better to go to the hospital. Mrs. Rexroat, who quietly regrets that the accident occurred said yesterday that Miss Neisler's injuries were of a minor character although she had a very narrow escape. Mrs. Rexroat said she saw the girls clearly and that she sounded the auto horn for fully half a block and had full control of the steering wheel and brakes. Since the accident Mrs. Rexroat has been nearly a nervous wreck herself thinking of the serious injury which might have been done.

## WITH THE SICK.

Mrs. A. G. Watred of Alexander who was removed to Our Saviour's hospital the last of the week, was operated on Monday morning. She is said to be doing nicely.

Mrs. James C. Weber is confined by sickness to her home at 320 West Court street.

Mrs. E. M. Coe is detained at her home on Edge Hill road on account of a sprained ankle.

Miss Vincent Cromwell underwent an operation for appendicitis Monday at Passavant hospital.

Jonas Scott, son of Ezra Scott, underwent an operation for appendicitis at Passavant hospital Monday.

**RESIGNS TEACHING POSITION.**

Miss Hattie Hayden one of the fourth ward teachers sent her resignation to the Board of Education Monday. Miss Hayden has been a member of the teaching force of the school for a number of years and her work has been especially efficient. As teacher in a primary grade she has had much to do with starting many little ones along the right paths of study and she has succeeded admirably.

**WILL RETURN FROM BRAZIL.**

In a letter to Mr. and Mrs. W. D. Roberts just received, Mrs. Mary T. Carriel gives the date on which she expects again to be on United States soil. Mrs. Carriel will sail August 25th on the Lambert & Holt steamer "Van Dyke" and expects to reach port here September 12th.

Keep Cool and Enjoy Life at

## WILL RAISE TUITION FOR PUBLIC SCHOOLS

BOARD OF EDUCATION TAKES ACTION WHICH RECENT LAW MAKES POSSIBLE.

Right of Dr. Clampt to Take Part in Session is Questioned—Resolution Presented Asks Council to Join in Effort to Secure Interest on Building Fund.

The board of education had a rather short but a very interesting meeting Monday night. No ill feeling of any kind was manifested but matters were discussed in a very hand to hand sort of a way. The session was held in the office of Mayor Davis as the lights in the council chamber which has just been cleaned have not been replaced. Before the session was formally called to order Mr. Hall made objection to Dr. Clampt sitting as a member and voting upon questions to be decided maintaining that by a charter provision a vacancy now exists in the third ward. Dr. Clampt having moved to the second ward. Mayor Davis did not think it was the province of the board to decide as to the legality of Dr. Clampt's place on the board and thought it would be proper to go ahead and allow Dr. Clampt to act. The mayor said, however, that in any matter of importance where there was a tie that he would refrain from voting.

The request of the playgrounds association that games be permitted on the grounds of the ward schools at appointed times was granted. A resolution was presented by Mr. Hall suggesting that the council be asked to join with the board in an effort to secure interest on the \$54,000 now on deposit in the building fund. Mr. Hall also introduced a resolution providing that the tuition rates for out of town pupils be advanced to the actual cost. A law recently passed by the general assembly makes it obligatory upon a school district to pay the tuition of eighth grade pupils in a high school. The resignation of Miss Hattie Hayden, a teacher in the fourth ward was accepted and a communication was read from the parent-teachers association of the second ward making various suggestions about improvements at the building. Permission was granted to the ministers of the city to use the grounds purchased as a site for the proposed eighth grade building for a tent when the union revival meetings are held in September.

**Object to Roll Call.**  
After Mayor Davis called the session to order the clerk began with the roll call and Mr. Hall said he wanted to make formal objection to Dr. Clampt's name being called as in accordance with the charter provision the clerk had notified the city that a vacancy existed in the third ward. He therefore held that such a vacancy has been created by Dr. Clampt's moving to the second ward and that his vote might make illegal action taken by the board. He said that if for example, the tax levy ordinance came up and was carried three to two vote including a vote cast by Dr. Clampt that the action would be very likely to result in the inability to collect the school tax from large tax payers like the railroads.

Mayor Davis did not think that it was the function of the board to decide as to the rights of Dr. Clampt and that the matter should be settled in some other way. He said, however, that if any important matter came up in which Dr. Clampt's vote would be one of the three deciding the matter that he himself would not vote and thus no complication would result. He said before another meeting possibly the board would be advised as to the exact status of Dr. Clampt's rights.

**Court Action Reviewed.**  
Dr. Clampt reviewed the court action which had been taken and referred to the appeal which was now pending and maintained that until a decision was had from a higher court that he continued to hold office.

The clerk then proceeded with the roll call. Afterward the minutes were read.

**Play Grounds Association Letter.**  
A communication was read from the Jacksonville Play Grounds association asking authority to use grounds of the several school buildings for special work. The communication was as follows:

Jacksonville, Ill., July 7, 1913.  
To the Honorable the Board of Education of Jacksonville.

Gentlemen: The playgrounds association of Jacksonville respectfully requests your honorable board to grant it permission to use for play ground purposes the school grounds of the second, third and fourth wards in said city during two mornings in each week during the months of July and August, 1913. If this permission is granted Mr. Ruyter, director of the first ward play grounds assisted by his wife will conduct playgrounds work two mornings each week in each of the three named wards.

Mr. Heintz was present and told of what the play grounds in the first ward is doing and of the interest taken in the work there by both young and old. He said that the association was very fortunate in having for the summer Mr. and Mrs. Ruyter who are wholly competent to work with and direct children and who have a vital interest in their work. Mr. Ruyter is a director of physical education in the Chicago public schools. Mr. Heintz then told briefly of the plan to have work twice a week at the second, third and fourth ward school grounds with a view to interesting the children in games, folk songs and folk dances. It is the purpose to have the children from all the wards join in a festival in the latter part of August.

Mr. Hall who lives not far from

the play grounds said that the interest was splendid there and that it was no uncommon occurrence to see 250 or 300 people there in the evening, old and young, both enjoying the games and amusements afforded. He made a motion with a second by Mr. Rogerson that the request of the association be granted and it carried unanimously.

Mayor Davis said he would like to see play grounds in every ward of the city.

The resignation of Miss Hattie Hayden, a teacher in the fourth ward school was read and accepted.

The report of F. E. Farrell, treasurer was read showing a balance in the general fund of \$2,489 and in the building fund, \$54,518.28.

**Proposes to Lend Money.**  
Mr. Hall presented a resolution as follows:

Jacksonville, Ill., July 7, 1913.  
To the members of the board of education of the city of Jacksonville, Ill. As a member of the finance committee of said board, I offer the following resolution for your approval:

Whereas, The board of education of the city of Jacksonville has caused to be taxed and collected for the purpose of a building fund the sum of \$54,518.28 and

Whereas, The said sum has not been used for any building and cannot be used for any other purposes, and is now being held by the treasurer of the city of Jacksonville on high sum the said board is receiving no interest.

Therefore Be it Resolved, That the members of this board shall request the mayor and city council of the city of Jacksonville to ascertain from the treasurer of said city if he cannot place said funds where interest can be received for the same. He moved its adoption and there was a second by Mr. Rogerson.

Mayor Davis said that he would put the motion although he considered it improper and out of order on the ground that the council has nothing to do with board of education funds.

**Dr. Clampt Cites Previous Efforts.**  
Dr. Clampt said that he objected to the resolution because it appeared from it that no effort had been made to secure interest. He said that he and Mr. Bavington chairman of the finance committee had made such an effort. He said that the law requires that any money of this kind may be lent for a period of from one to five years on real estate security of twice the value; that this money was levied for an eight grade building and could not be tied up for a term of years. He said that he considered the motion entirely out of order, that the council had nothing to do with the matter and that it was no use referring the same to them.

Mr. Hall said a motion had been made in April to have the interest matter looked into but that no report had ever been made to the council. Mr. Bavington thought that no such motion had been made and the clerk on looking up the records found that a suggestion had been made at the meeting referred to that the finance committee look up the matter of interest. He said that most any bank would be glad to have this money and pay interest and that he thought the board entitled to interest on the daily balance.

Dr. Clampt said that for the past twenty years that the board had from \$5,000 to \$20,000 in the building fund and that no interest had ever been paid.

Dr. Clampt said he did not want to be misunderstood as being opposed to getting interest but he had looked into the law and knew that it was not practical to tie up the funds for a long enough time to secure interest.

Mayor Davis said that the same matter had come up years ago when Andrew Russell was the treasurer of the board and that the treasurer then had an opinion from Bellatti, Barnes & Bellatti outlining the law in the manner already indicated.

The resolution was then adopted. Mr. Hall, Mr. Rogerson and Mayor Davis voted yes and Mr. Bavington and Dr. Clampt no.

Mr. Bavington said he had spent half a day with Supt. H. C. Montgomery looking up the law and that there was no way the money could be lent which was at all practicable.

**Want Higher Tuition.**  
Mr. Hall presented a resolution to the effect that tuition be increased to the amount it actually costs and that payment be made in advance of three months in advance. Subsequently he cut out the three months provision and made the provision that the clerk should figure out the per capita cost and then report back to the board. In this changed form the resolution was adopted unanimously. The resolution was as follows:

Jacksonville, Ill., July 7, 1913.  
Mr. President and members of the Board of Education:

I offer the following resolution for your consideration and approval:

Whereas, The present rate of tuition being charged to non-resident students who attend the high school and grade schools of the city of Jacksonville is below the cost of production. Therefore,

Be it Resolved, That the clerk of this board shall ascertain the per capita cost of maintaining the high school and grade schools of the city of Jacksonville for the year A. D. 1912, and that the rate of tuition charged non-resident students be changed to the per capita cost of production.

Be it Further Resolved, That this resolution be made a permanent record of this board.

The new law which was the occasion of this resolution reads as follows:

**The New Law.**  
For an act to provide high school privileges for graduates of the eighth grade.

Section 1. Be it enacted by the People of the State of Illinois, represented in the General Assembly: That graduates of the eighth grade residing in a school district in which no public high school be maintained, shall be admitted, upon the payment of tuition, to any public high school, with the consent of the school board.

MARTIN BROS

of the district in which such high school is situated. The tuition of such pupils shall be paid by the district in which they reside from any funds not otherwise appropriated, but in no case shall the tuition per pupil exceed the per capita cost of maintaining the high school selected. The parent or guardian shall elect the high school to be attended, subject to the approval of the school directors of the home district: Provided, however that the high school selected offers a program of studies extending through 4 school years. The application of this act shall not relate to districts that provided work in the ninth and tenth grades, except to pupils that have completed the work of such grades.

Dr. Clampt said he was not opposed to raising the tuition but that it was not practicable to ask payment three months in advance and said that tuition of \$55 or \$60 would be high enough. He said it would not do to have the tuition price higher than the Whipple academy. He said that the high schools and colleges could not charge for education what the actual per capita cost is.

Mr. Hall thought that under the new law that it was the intention that high schools get the cost for tuition and that seemed to him the reasonable thing to do and the business like method.

Mayor Davis said it had always been a kind of hobby with him to keep the tuition low for the benefit of persons who could not attend school if the cost was high. He said however that with the new law that it would be possible to increase tuition but that it ought not to be put to a figure higher than that charged at private institutions. He said the colleges here used to complain when the high school tuition was too low.

After some further discussion the resolution was adopted.

On motion of Mr. Hall with a second by Mr. Bavington permission was given minister planning for a union revival meeting the right to erect a tent on the lot north of the high school building.

A communication was received from the Parent-Teachers organization of the Second Ward suggestion some plastering work at the building, the changing of seats in one of the rooms and some other improvements. The communication was received and placed on file.

The board then adjourned.

**ATTEND HERMAN'S GREAT JULY CLEARANCE SALE. WONDERFUL BARGAINS TO BE HAD FOR DESIRABLE GOODS.**

**RETURNS FROM WESTERN TRIP.**  
Miss Lillian Pechloff, who has been taking a western trip, returned home Monday morning after a month's absence. She went with a Springfield party and they visited in Los Angeles, San Francisco, Oakland, Portland and other western cities, including Denver and Salt Lake City. Miss Pechloff is much delighted with the western country and met with many happy experiences.

### SUFFERED AWFUL PAINS

For Sixteen Years. Restored  
To Health by Lydia E. Pink-  
ham's Vegetable  
Compound.

Moretown, Vermont.—"I was trou-  
bled with pains and irregularities for  
sixteen years, and  
was thin, weak and  
nervous. When I  
would lie down it  
would seem as if I  
was going right  
down out of sight  
into some dark hole,  
and the window cur-  
tains had faces that  
would peek out at  
me, and when I was  
out of doors it would  
seem as if something was going to hap-  
pen. My blood was poor, my circula-  
tion was so bad I would be like a dead  
person at times. I had female weak-  
ness badly, my abdomen was sore and I  
had awful pains.

"I took Lydia E. Pinkham's Vegeta-  
ble Compound and used the Sanative  
Wash and they certainly did wonders  
for me. My troubles disappeared and I  
am able to work hard every day."—Mrs.  
W. F. SAWYER, River View Farm, More-  
town, Vermont.

Another Case.  
Gifford, Iowa.—"I was troubled with  
female weakness, also with displace-  
ment. I had very severe and steady  
headache, also pain in back and was  
very thin and tired all the time. I com-  
menced taking Lydia E. Pinkham's  
Vegetable Compound and I am cured of  
these troubles. I cannot praise your  
medicine too highly."—Mrs. INA MILL-  
SLAGLE, Gifford, Iowa.

### HAVE GREAT TIME AT PICNIC GIVEN AT CHAPIN

People of That Locality Celebrated  
Fourth of July At Perbix Grove.

The Fourth was celebrated at Chapin  
by a picnic at the pleasant park  
belonging to Mr. Henry Perbix, sit-  
uated just at the south edge of town  
and on the bank of the small lake.  
The picnic was given under the aus-  
pices of the Christian church.

The place was admirably suited to  
the occasion, there being plenty of  
shade, and plenty of room to unhitch  
the horses of those coming from a  
distance, also a pasture for the usual  
sports, and a baseball game.

The celebration was started with a  
well planned parade participated in  
by different Sunday-school classes of  
the Christian church in picturesque  
floats, and by a number of decorated  
automobiles, about fifty young people  
riding horse back with patriotic cos-  
tumes, and several bicycle riders with  
their wheels wrapped in bunting.  
The parade was under the direction  
of Mrs. J. F. Burnham, assisted on  
the morning of the Fourth by O. H.  
Coulas and O. W. Gould. The Ex-  
eter Band was engaged for the day  
and was placed at the head of the  
parade, which formed in front of the  
Christian church, the line of march  
being started from the corner at  
William Brownlow's residence east  
to the town hall, thence north to  
the Methodist church, thence west  
to the corner at R. B. Wallace's res-  
idence, thence south to Dr. F. G.  
Eller's residence on Main street, and  
thence east along Main street to the  
bank where the parade turned south,  
crossing the railroad and proceeded  
direct to the park. There were floats  
made by the Willing Workers Class,  
The Gleaners, the Children's Class,  
and one for the members of the G. A.  
R.

Miss May Rigg represented Colum-  
bia on one of the floats, and Wesley  
Anderson represented our good old  
Uncle Sam on horse back. The float  
prepared by the Willing Workers  
Class deserves special mention, and  
was awarded the prize offered for  
the prettiest float. The prize for  
the best decorated automobile was  
awarded to John Funk. Walter Bon-  
dit and Winfield Brownlow sprung a  
surprise even on the committee by  
appearing in the parade in a curious  
"contraption" constructed from an  
old high-wheel automobile. It was  
literally a case of "cart before the  
horse" as the motive power was an  
old white horse hitched between two  
pieces of timber fastened to the rear  
end. Greely had to resort frequently  
to a long buggy whip to keep their  
"engine" going. This caused a great  
deal of laughter along the line of  
parade.

There was a stand constructed on  
the grounds which dispensed ice  
cream, soda pop, sandwiches, etc.  
This was in charge of the stand  
committee, W. Woodward and Wil-  
bur Williams and they reported a  
near-cleanup by evening. Basket  
dinners were taken by almost every-  
one, those who had not so provided  
themselves being invited to partake  
of the abundance the others had  
brought. At two o'clock a pleasing  
program was given from a platform  
erected for the purpose and consist-  
ed of pieces by the band, talk by Dr.  
J. H. Fountain, as mayor of the vil-  
lage, and pretty drills by the chil-  
dren. Following the program the  
crowd adjourned in a body to the  
open pasture on the west for the  
sports. These were in charge of a  
committee composed of Harold  
Woodward and Charles Holliday.  
The races and contests were taken  
readily and provoked much amuse-  
ment. The names of winners were as  
follows:

Boys' 50 yard dash—Prize knife  
by Ham & Company, John McDaniel.  
Girls' 50 Yard Dash—Prize, box  
stationery by F. P. McKinney, Hazel  
Bonds.  
Ladies' Distance throw—Prize,

hand painted plate by H. F. Kors-  
meyer, Nina Roe.

Blindfold wheelbarrow race—  
\$1.00 fine shirt by J. Onken Brother,  
Frank Nash.  
Boys' Cracker eating race—Pair  
overalls by J. H. Eilers Co., Wilbur  
McDaniel.

Pat Mine's Race—Pair gloves by  
W. H. Rizer, Ratio McKinney.  
Boys' shoe race—Necktie by Wm.  
Charlesworth, Paul Stone.

Running long jump—Pair suspend-  
ers by J. F. Tholen, Frank DeSollars.  
The base ball game between the  
ladies and men was the feature of the  
afternoon, and was watched by a  
widely enthusiastic crowd of about  
four hundred. Mr. C. F. Duckett of-  
fered as prize for the winning team  
a treat at his confectionary. There  
was no accurate record kept of the  
errors, the score-keeper being busy  
noting "outs" and "runs." Fred  
Craven was the much abused umpire  
and we hardly think he is eligible  
yet for a position in the National or  
American Leagues, and some declared  
he was "bought" by the Ladies  
team. However there was some  
strenuous playing on both sides  
and at the end of the sixth inning  
the game had to be called on account  
of the late hour and the men went  
down in defeat. The score was 22  
to 16 in favor of the ladies. Line  
up of each team follows:

**Ladies.**  
Miss Nina Roe.  
Miss Jessie Mangrum.  
Mrs. W. N. Bobbitt.  
Mrs. Dr. Roberts.  
Mrs. Fred Eller.  
Miss Gene Lewis.  
Mrs. Frank Coulman.  
Mrs. Wm. Brownlow.  
\*Mrs. R. E. Clark.  
\*Place taken by Mrs. Owen Hamil-  
ton in third inning.

**Men.**  
H. J. Mangrum.  
W. S. Brownlow (Greely).  
Wilmer Simpson.  
W. N. Bobbitt.  
T. H. Stone.  
H. F. Korsmeyer.  
Arthur Burnes.  
H. C. Anderson.  
Owen Hamilton.

The affair was pronounced a de-  
cided success and efforts will no  
doubt be made to make this an an-  
nual affair. There were great num-  
bers of people present from the  
country around Chapin, and also  
from Concord, Exeter, Merritt and  
Buffs.

Considerable credit is due to those  
who planned and worked for the suc-  
cess of the day, the ground com-  
mittee who had to arrange the grounds,  
and construct the temporary plat-  
form and seats, etc.; the program  
committee, the stand committee who  
put in a hard day's work in the stand  
the sports committee who arranged  
the races and contests and secured  
prizes for them, and directed the  
same. And we must not forget the  
members of the ball teams who run,  
and sweated, and fell, and became  
dreadfully sunburned, that the peo-  
ple of Chapin and roundabouts might  
see that the ladies and the men  
could play ball if they tried. The  
committee also extends its thanks to  
Mr. Perbix for the use of the ground,  
and it is to be hoped that there can  
be arranged another picnic on even  
a larger scale than this for next  
year.

### Surprising Cure of Stomach Trouble

When you have trouble with your  
stomach or chronic constipation, don't  
imagine that your case is beyond  
help just because your doctor  
falls to give you relief. Mrs. G.  
Stengle, Plainfield, N. J., writes,  
"For over a month past I have been  
troubled with my stomach. Every-  
thing I ate upset it terribly. One of  
Chamberlain's advertising booklets  
came to me. After reading a few  
of the letters from people who had  
been cured by Chamberlain's Tablets,  
I decided to try them. I have taken  
nearly three-fourths of a package of  
them and can now eat almost every-  
thing that I want." For sale by all  
dealers.

### APPRENTICESHIP AND INDUSTRIAL TRAINING

That apprenticeship is the main  
reliance of industrial training in  
Germany, and that it might be de-  
sirable to revive it in some form in  
this country, is the conclusion of  
Dr. Holmes Beckwith, who has  
prepared for the United States  
bureau of education a study of Ger-  
man industrial education and its  
lessons for the United States.

"Wasteful though the old ap-  
prenticeship was of the apprentice's  
time and effort, apprenticeship in  
its newer forms, both in Germany  
and the United States has in it much  
of promise for the future training of  
industrial workers," says Dr. Beck-  
with. "No better way, or even as  
good, has yet been devised for the  
main training of the mass of in-  
dustrial workers than in the shops  
where they are employed and by  
those who supervise their work."

Dr. Beckwith suggests that if all  
employers pay the cost of adequate  
training for any youthful workers  
whom they may employ as ap-  
prentices, the burden will not be  
serious. He points to instances  
both here and abroad to prove that  
"firms employing bona fide ap-  
prentices today find that their ap-  
prenticeship system pays."

Revival of apprenticeship alone  
will not solve the problem, however.  
"What we should strive for," de-  
clares Dr. Beckwith, "is such broad-  
ening industrial training as will  
supplement the narrower range of  
skill and knowledge, and give the  
specialized worker greater re-  
source. Specialization is probably  
more widespread in the United  
States than in Germany, and this  
constitutes an added need which  
we have for industrial education  
greater than that in Germany."

"Industrial schools, then, we must  
have, and in far greater numbers,  
to meet the needs of far more  
worker's than at present. Other-  
wise we can make no claim to the  
really popular education of the  
sort closest to the worker's activi-  
ties."

Dr. Beckwith notes the present  
awakened interest in industrial  
education in the United States, but  
issues a word of caution. He fears  
that unless the vocational move-  
ment is carefully guided it will  
lead to waste of money by states  
and cities and unwise choice of  
schools to do the work. He  
describes in some detail the Ger-  
man industrial system and typical  
schools, with a view to presenting  
the best German experience as a  
guide to American practice.

### FINAL SPECIAL TAX NOTICE.

In the matter of the special tax of  
the city of Jacksonville for the con-  
struction of a vitrified pipe sewer  
on Dunlap street.

Notice is hereby given to all per-  
sons interested, that the Board of  
Local Improvements of said city has  
heretofore filed in the county court  
of Morgan county, Illinois, in said  
cause, a certificate showing the cost  
of the work, the amount reserved  
for interest, and also that the im-  
provement has been constructed in  
substantial conformity to the re-  
quirements of the original ordinance  
therefor.

The hearing to consider and de-  
termine whether or not the facts as  
stated in said certificate are true,  
will be held in said court on the 24th  
day of July A. D. 1913, at 9 o'clock  
or as soon thereafter as the business  
of the court will permit.

All persons desiring may file ob-  
jections in said court before said day  
and may appear on the hearing and  
make their defense.  
By E. M. Henderson,  
Secretary  
Board of Local Improvements of  
the City of Jacksonville, Ill.  
Dated Jacksonville, Ill., June 9,  
1913.

### LOS ANGELES MECCA OF ENDEAVOR WORKERS.

Thousands Will Attend International  
Convention—Founder of Organi-  
zation Will Preside.

Los Angeles, Cal., July 7.—Every  
train arriving in Los Angeles to day  
brought delegations to the interna-  
tional Christian Endeavor con-  
vention, which is to be formally opened  
in this city Wednesday. It is ex-  
pected that by tomorrow night twenty  
thousand visitors from all parts of  
the United States and Canada will  
be here to attend the proceedings of  
the convention.

White-capped members of the lo-  
cal reception committee are station-  
ed at each of the railway stations to  
welcome the arrivals and escort them  
to their quarters. To accommodate  
this multitude the capacity of the ho-  
tels will be tested to the utmost,  
while every available boarding house  
has been called into requisition.  
Many well-known clergymen and other  
persons of prominence among the  
visitors are to be entertained in  
private homes during their stay in  
the city.

The general sessions of the con-  
vention are to be held in two mam-  
moth tents which have been raised  
in Fiesta Park. The tents have a  
seating capacity of 25,000. A large  
number of praise and song meetings  
conferences and celebrations have  
been arranged for in the various Pro-  
testant churches, which will include  
addresses on a variety of Christian  
Endeavor topics.

There will be little routine busi-  
ness to transact during the conven-  
tion. Only one actual business ses-  
sion will be held. This will be the  
annual business meeting of the  
United Society of the Christian En-  
deavor Corporation and will be oc-  
cupied with the annual reports of  
officers and business agents and the  
election of officers and trustees for  
the ensuing year.

The general sessions of the con-  
vention will be presided over by the  
Rev. Dr. Francis E. Clark, founder  
and president of the society. Among  
the well known speakers will be the  
Rev. Dr. Hugh L. Walker of Atlan-  
ta, the Rev. Dr. John Balcom Shaw  
of Chicago, the Rev. Dr. Robert F.  
Coyle of Denver, and Dr. Henry  
Churchill King, president of Oberlin  
College.

There is already in progress here a  
lively contest for the next con-  
vention, the contestants being Toronto,  
Washington, St. Louis and Winnipeg.  
The Manitoba city is making a vig-  
orous campaign and apparently is  
in the lead in the race. The contest  
will not be decided until next Mon-  
day.

Roach spent the Fourth in Jack-  
sonville.

For real bargains in a suit or pair  
of trousers see Muchhausen Bros.,  
Tailors, South Sandy street.

### BIDS WANTED.

The city will receive bids for an  
electric generator and engine, to  
comply with the following speci-  
fications:  
200 K. W. 3 Phase, 60 cycle, re-  
volving field, 2,300 volts, 200 R.  
PM, direct connected, 16x24 inches,  
4 valve engine.  
Bids are asked on used equipment  
and must be filed in this office by 10  
a. m., Wednesday, July 9th. The  
right is reserved to reject any or all  
bids.  
C. R. Knollenberg,  
Commissioner of Accounts and  
Finances.

### KELLAR CASE UP FOR TRIAL.

Harrisonville, Mo., July 7.—The  
case of Mrs. Ida May Kellar, who is  
charged with having killed her hus-  
band and seven year-old daughter  
with an ax, was called in court to-  
day for trial. The double killing  
occurred in the Kellar home on the  
night of June 9. Mrs. Kellar is said  
by the police to have confessed to  
the murders, but this alleged con-  
fession she subsequently repudiated.  
It is believed an effort will be made  
to prove the woman insane.

### Boils Are a Bad Indication

Dangerous Fallacy that they  
are Healthy—Stop  
them.

The appearance of boils leads many  
people to consider them a sign of  
robust constitution. They are more  
to signify a condition of sick blood,  
sluggish circulation and a morbid con-  
dition of the body. Use S. S. S. for it  
blood.

It has the peculiar action of soaking  
through the intestines directly into  
the blood. In a few minutes its influ-  
ence is felt in every artery, vein and  
capillary. Every membrane, every  
organ of the body, every emunctory  
comes in effect a filter to strain the  
blood of impurities. The stimulants  
properties of S. S. S. compel the liver,  
bowels, kidneys, bladder to a  
work to the one end of casting of  
every irritating, every pain-inflam-  
mation of poison. It dislodges by irri-  
gation all accumulations in the joints,  
causes acid accretions to dissolve, re-  
stores them neutral and scatters the  
peculiar formations in the skin that  
cause boils and other skin eruptions.  
And best of all, this remarkable re-  
medy is welcome to the weakest stomach.  
You can get S. S. S. at any drug store.  
Beware of any effort to sell you some-  
thing claimed to be "just as good."  
Yours is a peculiar case and you desire  
expert advice, write to the Swift Spe-  
cialty Co., 155 Swift Bldg., Atlanta, Ga.

### The World's Remedy

You make no risky experiment  
when you use occasionally—  
whenever there is need—the  
most universally popular home  
remedy known, Beecham's  
Pills, which have stood the  
test of time with absolute suc-  
cess and their world-wide fame  
rests securely on proved merit.

### BEECHAM'S PILLS

relieve the numerous ailments  
caused by defective action of  
the stomach, liver, kidneys  
and bowels. Cleansing the  
system, they purify the blood  
and tone body, brain and  
nerves. Beecham's Pills act  
quickly; they are always  
safe and reliable, and you  
may depend upon it they  
Will Benefit You

Sold everywhere. In boxes 10c, 25c.  
Everyone—especially every woman—should  
read the directions with every box.

## LATEST NEWS FROM THE FIELD OF SPORTS

### BLOOMERS TAKE FAST GAME FROM DANVILLE

BLUEJACKET WAS STRONG AND WON EASILY.

Indian Receives Fast Backing—Chapman Was Easy For Bloomington and Was Hit Hard in Every Inning.

Bloomington, July 7.—Bluejacket was strong to day and the game was never in danger. He also received fast backing. Chapman on the contrary was easy for the home team and was hit hard in every inning. Qulessier retired in the sixth on account of an injured leg.

Score:		A. B. R. H. P. A. E.

### NEW YORK DIVIDES WITH SENATORS

Each Team Takes One Game of a Double—First Contest Won By Highlanders in First Inning.

New York, July 7.—New York and Washington split even on their double header here today. The locals won the first game by a score of 5 to 2, while the Senators took the second section by a score of 8 to 1. Scores:

First Game:	R. H. E.
Washington	000 000 002—2 6 2
New York	301 010 00—5 6 6

Batteries—Engel, Gallia and Henry, Ainsmith; Fisher and Goss. Second Game:

oston Wins Opening Affair 15 to 11  
and loses Second in Twelve In-  
nings.

Batteries—Boehling and Henry; Schulz, Clark and Smith.

### PHILLIES AND BOSTON SPLIT TWO

Boston Wins Opening Affair 15 to 11 and loses Second in Twelve Innings.

Philadelphia, July 7.—There was an even break in a double header between Philadelphia and Boston here today. Boston won the opening affair by 15 to 11 and lost in the second in twelve innings by 3 to 2. Scores:

First Game:	R. H. E.
Boston	811 000 005—15 18 1
Philadel.	300 100 007—11 15 7

Batteries—Perdue and Rariden; Moore, Chalmers, Rixey, Marshall, Imlay and Killifer, Howley. Second Game:

Boston	R. H. E.
Boston	000 200 000 000—2 9 2
Philadel.	000 000 101 001—2 8 0

Batteries—Dickson, Rudolph and Whaling, Rariden; Alexander, Seaton and Killifer, Howley.

### HEAVY HITTING GIVES ATHLETICS FIRST GAME

BOSTON TAKES SECOND BY SCORE OF 8 TO 3.

Philadelphia Uses Sixteen Men in An Effort to Win Second Contest—Wagner Clouts the Ball For a Homer.

Boston, July 7.—Heavy batting gave Philadelphia the first game of a double header with Boston today by a score of 7 to 4, while the second game went to the locals who also batted freely by a score of 8 to 3. Scores:

First Game:	R. H. E.
Philadelphia	402 000 100—7 9 1
Boston	100 000 003—4 4 2

Batteries—Brown, Bender and Lapp; P. Collins, Bedient and Carigan, Nunamaker.

### SOME OFF-SIDE CHUTES

Just when a Mineola, L. I., judge had injected new life into the racing game in the east by ruling that "a gentleman's agreement" in the matter of speculating on the result of a race did not constitute gambling, along comes the arch enemy of the sport of kings, the sure-thing individual, and tilts the tureen. The ever watchful eyes of those who are endeavoring to preserve the game nipped him in time, and with the "goods concealed about his person," Billy Hogan, one of the best of international trainers of jumpers and cross-country horses, has been expelled from the turf for giving dope to Buckthorn, the nifty Canadian timber-topper. The stewards of the Westchester association have been keeping close tabs upon all of this great horse's races of late, and were not satisfied with they style in which it negotiated the leaps and cleared the liverpools. Hoban was summoned before an inquisitorial body of the association and there shamefacedly admitted the horse's amazing achievements were aided by an injection of whisky and coffee. His banishment from the turf followed. This expulsion means more than appears in the mere statement. Hogan is a man who has put in the best years of his life to a study of an art which was bringing him an independent competence aside from the other emoluments which go to a successful handler of the go-goos; but with one slip—and a serious slip it was—he has separated himself from everything that yesterday was honorable and upright, until today he is shunned and frowned on alike by friend and by foe. When a person is ruled off the running turf all connection with the game is forever severed. Admittance to the race parks in all parts of the world is denied—he becomes an outcast and down-and-outter in every sense that the term applies—and justly so.

The past week saw several changes upon the baseball checker-board. Joe Tinker has purchased the release of Jimmy Sheppard from the Cardinals; Otis Clymer has been sent to Boston by the Cubs, and the latter organization has sent Fred Toney back to the provinces—the Colonels of the American association.

Jess Willard has at last scored a win in his travel up the white hope ladder. His bout with Al Williams was stopped in the eighth number, when the referee mercifully waived the pigmy aside and raised the cowboy's right hand in token of victory. The go took place on the fourth at Reno, Nev., where they interred Jim Jeffries three years ago to the day.

Bruce L. Baldwin, secretary of the Nutwood Racing association of Dubuque, Iowa, is reported as rapidly recovering his shattered health. He is at the home of his brother, Charles, in Cascade, and hopes to assume personal management of the association's affairs within a

### THOUSANDS ATTEND GRAND CIRCUIT OPENING

TAVERN "STEAK" DAY DRAWS MANY SOCIETY PEOPLE.

Uhlman, World's Champion Trotter Fails to Break the Track Record of 1:58 3-4 Established By Himself Three Years Ago.

Cleveland, O., July 7.—Almost perfect racing weather and thousands of racing enthusiasts helped to open auspiciously the first meeting of the grand circuit at North Randall track. As is usual on Tavern "Steak" day when millionaire owners pilot their own colts, the grandstand was filled largely with society people.

Uhlman, the world's champion trotter failed to break the track record of 1:58 3-4, established by himself three years ago, going the mile in 1:59 1-2. Quite a strong breeze impeded the great black gelding.

Summaries:  
The Edwards stake, 2:12 pacing. Three heats. Purse \$3,200.  
Delray, by Nutwood Wilkes, first; Frank Bogash, Jr., second; Rex Heart, by Great Heart, third.

Best time 2:04 1-4.  
The Tavern "Steak" 2:14 trotting, two in three. Purse \$5,000. (First division.)

Eulabel, B. M., by Model, first; Castledome, B. G., by Jay McGregor, second; Baring, B. H., by Bingara, third.

Best time 2:09 1-4.  
The Tavern "Steak" (Second division.)

Dago F., b. h., by Acolyte, first; Fano Patch, b. m., by Joq. Patchen, second; Louise, b. m., by Pactolus, third.

Best time 2:08 3-4.  
The Tavern "Steak" (Third division.)

Amy, br. m., by Mocke, first; Princess Louise, b. m., by Coronado, second; Libra, b. g., by McAdams, third.

Best time 2:13 1-2.  
Trial to lower track record of 1:58 3-4, set by Uhlman three years ago.

Uhlman, "Doc" Tanner driving, time by quarters, 29 3-4, 59 1-2, 1:29 1-2, 1:59 1-2.

### CALENDAR OF SPORTS FOR THE WEEK.

**Tuesday.**  
Start of Great Lakes flying boat cruise, from Chicago to Detroit. Annual tournament of Central Association of Illinois Golf clubs opens at Galesburg.

Opening of trotting and pacing meeting at Winnepig International fair.

Annual championship tournament of Canadian Chess Association opens at Winnipeg.

Meeting of Michigan short-ship circuit starts at Port Huron.

Annual tournament of the American Whist league opens in Chicago. Jack Dillon vs. George Chip, 12 rounds, at Boston.

**Wednesday.**  
Jimmy Duffy vs. Joe Shugrue, 10 rounds, at Buffalo.

Carl Morris vs. Marty Cutler, 15 rounds, at Clovis, N. M.

**Friday.**  
National reliability tour of the A. A. starts from St. Paul.

Annual regatta of North Pacific Amateur Oarsmen's association, Vancouver, B. C.

**Saturday.**  
French grand prize automobile road race over the 10 mile circuit at Amiens.

Start of Chicago Yacht club's cruising race to Mackinac and return.

A. A. U. national outdoor track and field championships at Los Angeles.

Tennis tournament for Minnesota state championship opens at Lake Minnetonka.

short time. "Circus" is an old-time printer, and in the hand-set days Jacksonville was included in his itinerant, and the craft as well as all lovers of harness racing wish him God-speed in his recovery.

Marty O'Toole, Pittsburgh's \$22,500 beauty, is out of the game for the season probably. Just as his wife had been released from a hospital after undergoing a successful operation for appendicitis the hurler entered the same institution suffering from the same complaint, and was operated upon Saturday.

Tom O'Rourke has come to terms with Carl Morris, the Oklahoma hope, and will in the future manage the giant engineer-pugilist. O'Rourke also handles the Iowa hope, Al Palmer, and while the latter remains on the Hawkeye farm in an effort to regain his health, the old handler of George Dixon and Joe Wolcott will attempt to develop Morris.

Butcher Boy Benz and Johnny Beall are at present the only 700 stars among Comiskey's White Sox. The Hoosier hurler has played in 11 games this season, at bat 18 times, scored 2 runs, made 6 hits for a total of 7 runs, for an average of .333. Recruit Beall has been in 14 games, at bat 30 times, made 4 runs and 9 hits for a total of 12 bases and an average of .300 flat.

The "Hibernian fan" who put up the \$100 William to close Hiene Zimmerman's yap against the umpires was none other than the Chicago Tribune, and now the W. G. N. is chuckling over the free advertising it wheeled from the other Chicago dailies, the Harst publications included.

**A STRONG REFERENCE.**  
A young man recently applied for  
a position with a large printing  
house, and not having a letter of  
reference, offered his bank book. It  
showed a regularity of entries of de-  
posit. It was a very strong recom-  
mendation, indicating character and  
persistence, which finally secured for  
him a good position.

**ROCHESTER FILLED WITH ELKS.**—Rochester, N. Y., July 7.—The week of the forty-ninth annual reunion of the Elks' Grand Lodge was ushered in here to day under conditions of the most favorable nature. So great was the crowd yesterday that it was almost impossible to get correct registration of the arrivals, but Rochester's hotels are already more than filled and the downtown rooming houses are crowded to their utmost capacity. All the principal streets are flaring with purple and white decorations.

The gathering formally opens in Convention Hall tonight with prayer, songs and the exchange of greetings. The regular business of the convention will be taken up tomorrow. Edward Leach, of New York city, a candidate for grand exalted ruler, seems to lead for that high honor and his election is freely predicted. New Orleans and several other cities are contesting for the 1915 convention.

## COUNCIL FAILS TO ELECT NEW BOARD MEMBER

Three Ballots Taken Monday Without Decision—Salary of Matron To Be Paid Wholly By City—New Patrolman Is Appointed.

At the meeting of the City Council Monday morning 3 ballots were taken with a view to electing a member of the board of education from the third ward without any choice being made. Commissioner Brennan was absent and there were but four votes cast, no candidate receiving more than two votes. On the first ballot Mayor Davis voted for T. H. Rapp, Commissioner Engel and Newman for Walter N. Smith and Commissioner Knollenberg for E. E. Wells. On the next ballot Commissioner Engel shifted his vote to Jos. P. Shreve and the subsequent ballot was taken without change. It was decided that the salary of the city matron shall be paid wholly by the city as the Womens Club is not now in condition to pay half of the salary. Reports of officers were received and some other matters of business were given attention.

The roll call by Clerk Pyatt showed that all members were present except Commissioner Brennan who had not yet returned from New York where he went with J. W. Catherwood, superintendent of the city light plant to examine some electrical equipment that the city needs. The minutes were read and approved and approved bills were ordered paid when funds are available.

**New Patrolman Named.**—The resignation of Frank Shannon as a patrolman was read by Commissioner Engel and he named Frank Baker as his successor. The appointment was confirmed by unanimous vote.

The bond of Edward Moore, patrolman signed by T. H. Buckthorpe and W. S. Cannon was approved.

An ordinance for a concrete sidewalk on the north side of Chambers street between Main and Third and Main streets was given the first reading and laid over under the rules. This matter was called up by Commissioner Newman who wanted to know if the board of local improvements was ready to report. Mayor Davis said that he didn't know about the board of local improvements but that the ordinance was on hand and laughingly asked if Mr. Newman was ready to report about the pagoda in the park, that matter having been referred to him a couple of months ago.

Mr. Meiser, superintendent for the Jacksonville Light Company said that a representative of the power department of the General Electric Co., would be here within a day or two and that he would bring him to the City Hall to talk about the matter of power for pumping the Widenham and Daub wells.

Commissioner Engel read a communication from the Woman's club which stated that the club is now in such a condition that it cannot conveniently pay one-half of the salary of the city matron, Miss Wells, as it has done in the past and expressed a hope that the council could see its way clear to pay the entire salary.

On motion of Messrs Knollenberg and Engel this communication was received and placed on file. Then Commissioner Newman made a motion that the salary of the matron be paid by the city if the appropriation ordinance was in such a condition that this could be legally done. He said that it was a work which needed attention and which the city should pay for, and besides he said that the council should remember that the women now have a right to vote and that there might be a lady commissioner at the next election if the commissioners didn't look out.

Commissioner Knollenberg charged Commissioner Newman with playing politics and being in favor of the city matron's salary paid wholly by the city simply because women now can vote. He said that he was opposed to the payment by the city because he thought that very few cases were handled or given attention by the matron and that the money paid was too much for the work done.

**Can Pay Salary Legally.**—Mayor Davis said that the salary could be legally paid as the city ordinance provided for such an office and fixed a salary at \$36.00 per month. He said that he couldn't be accused of playing politics by favoring the appointment of a city matron wholly paid by the city because the records would show that he had originally been in favor of this plan and that he had so expressed himself in the council meeting. Commissioner Knollenberg said he remembered that the mayor was for the matron but that Commissioner Newman was not.

Under the head of unfinished business Commissioner Newman said he wanted to call up the matter of an election of the member of the board of education from the Third Ward but the mayor said that no motion was necessary and that the clerk would proceed with the roll call. The first ballot was as follows: Engel, Walter N. Smith; Newman, Walter N. Smith; Knollenberg, E. E. Wells; Davis, T. H. Rapp.

On the second ballot, Commissioner Engel changed his vote to Joseph P. Shreve and the others continued to cast ballots as at first. After four ballots had been taken it appearing that there could be no election at this session, Commissioners Knollenberg and Engel moved that the council proceed with other business and this was the order.

**QUICK RELIEF FOR RHEUMATISM.**—SAYS: "Dr. Detol's Relief for Rheumatism has been a wonderful benefit to my wife. She could not lift her foot, had to be lifted for two months. She began to use of the remedy and improved rapidly. On Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Alcott, druggist.

S. Watred of Alexander was in the city yesterday to see his wife who is a patient at Our Savior's hospital.

## OBITUARY.

Mrs. Sarah F. Dawson, whose maiden name was Sarah Frances Christison, was born near Winchester, Illinois, February 7, 1847, where she lived until the year 1879 when she moved with her family to Winchester. Here she lived until almost twelve years ago when she came to Jacksonville, where the remainder of her life was spent. She is survived by one daughter, Mrs. W. T. Clarkson, one granddaughter, Katie Vee Clarkson, one brother, Mr. Wm. Christison, all of this city; one sister, Mrs. Lottie Brown of Springfield, Illinois; a number of relatives, most of whom reside in or about Winchester and a host of loving friends.

Mrs. Dawson united with the Methodist church in her girlhood and was a faithful member until six years ago she united with the Central Christian church of this city, in order to be with her daughter's family. She was a consistent Christian woman and helped along the Christian work by her faithful, quiet influence. Although death came suddenly on the morning of July 3, 1913, she was fully prepared and went to meet her Savior without fear, and although her place is vacant here, we know that a new place is filled by her in the celestial home above.

For almost eighteen years Mrs. Dawson had made her home with her only child and through her loving presence and influence helped to brighten and make that home happy. She will be greatly missed by all who knew her yet we all know that she is waiting on the other side to welcome her loved ones home.

The following poem was composed by an aged friend, Mrs. C. F. Gore, aged 92 years of Winchester, for Mrs. Dawson, but was not received until after her death. The sentiment, however, is so in keeping with Mrs. Dawson's memory, that we give it to her friends:

**A Prayer.**  
O, peaceful rest, sweet peaceful rest;  
Lord, wilt thou give it me?  
And may I find among the blest:  
A portion large and free.

Help me to thank thee gracious Lord  
Thy Holy Spirit send.  
A witness to Thy Holy word,  
That Jesus is my friend.

I thank thee for that peaceful rest;  
Thy mercy doth extend.  
A bright assuring evidence,  
That Jesus is my friend.

That love divine I would attest,  
Given so graciously;  
That wondrous love so manifest,  
Christ died for even me.

**CHANCERY NOTICE.**  
In the circuit court, to the November term, A. D. 1913.

Harvey Halley, complainant vs. Samuel Bridgman, Oscar Bridgman, Lucinda Aator, Mattie L. Braner, Clara Wood, David Henderson, unknown heirs of William Henderson, deceased, the unknown heirs of Mattie Wells, deceased, and George Engelbach, executor of the last will and testament of Nancy E. Halley, deceased, defendants.

In chancery, bill for partition. An affidavit having been filed in the office of the clerk of the circuit court of Morgan county Illinois, showing that the said David Henderson, the unknown heirs of William Henderson deceased and the unknown heirs of Mattie Wells deceased, all of whom are defendants in the above entitled cause, are not residents of the state of Illinois, also showing that the place of residence of the said unknown heirs of Mattie Wells deceased can not upon diligent and due inquiry be found.

Notice is hereby given to the above named David Henderson, to the unknown heirs of William Henderson deceased, and to the unknown heirs of Mattie Wells deceased, that the above named complainant has heretofore filed in the circuit court of said county of Morgan in the state of Illinois, his bill of complaint against the above named defendants, and thereupon a summons was issued out of the said circuit court for all of said defendants, returnable on the first day of the next regular term of said circuit court, as is by law required, and that said suit is still pending. Now unless you the said David Henderson, the said unknown heirs of William Henderson, deceased, and the said unknown heirs of Mattie Wells, deceased, shall personally be and appear before the said circuit court of Morgan county on the first day of the next regular term thereof to be held on the second Monday of November, A. D. 1913, at the court house in the city of Jacksonville in the county of Morgan in the state of Illinois, and plead, answer or demur to complainant's bill of complaint, the same and the matters and things therein charged and alleged will be taken as confessed by you and each of you, and a decree entered against you in accordance with the prayer of said bill.

Dated this July 5th, A. D. 1913, at Jacksonville, Ill.  
Eugene D. Pyatt,  
Clerk of the circuit court of Morgan county, Illinois.

**A Good Investment.**  
W. D. Magill, a well known merchant of Whitewater, Wis., bought a stock of Chamberlain's medicines so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was worth more to him than the cost of his entire stock of these medicines. For sale by all dealers.

## BETTER RURAL CONDITIONS DISCUSSED AT CONFERENCE.

Dr. Slingerland of Rockefeller Foundation Emphasizes Need of Child Welfare Work.

Seattle, Wash., July 7.—The rehabilitation of country schools and country churches as the first essential in working out plans for betterment of conditions in rural communities particularly in relation to children, was urged by Dr. W. H. Slingerland, special agent of the Russell Sage Foundation of New York, in an address before the National Conference of Charities and Correction here this morning. Dr. Slingerland in speaking of the need of child welfare work in rural communities quoted many social workers scattered throughout the country in support of a national effort to place such activities in country districts on the same plane of efficiency and sufficiency that prevails in cities.

"The first preliminary agency is educational," said Dr. Slingerland. "More teachers and schoolhouses and play grounds will aid mightily in solving the welfare problems of rural communities. The second agency to be established is an endless chain of social centers among the people by the people, and for the people. This implies a constant and general use of schoolhouses and playgrounds, in ways, some of which were unknown to our fathers, but proven effective wherever properly and intelligently undertaken. The third constructive element is the revitalizing and modernizing of the country church to correspond to the city church, which has largely adjusted itself to the new conditions due to modern civilization. The rest of the program includes adequate institutional provision for the feeble-minded, there being one feeble-minded person for every three hundred of population. This, and the extension of the work of agencies and societies dealing with child life so that these activities cover the rural districts, will solve the main problems of rural welfare work."

**ROYAL VISIT TO LANCASHIRE.**  
London, July 7.—The King and Queen departed from London to day for Knowley, the Lancashire seat of the Earl of Derby, and will remain in Lancashire an entire week. During their visit their Majesties will make daily motor car tours to many places in the county, and visits to the principal industries have been arranged.

## THE GASOLINE PROBLEM.

Oil City Derrick. Experiments to find some substitute for gasoline in motors are being made in this country as well as abroad. The demand for gasoline, caused by the rapidly increasing use of automobiles, motor boats and gasoline engines on the farms and in factories, put too much of a burden on the one article until prices have reached a figure that is seriously felt by consumers. The production of gasoline is limited to a certain proportion of the total output of petroleum. The 220,000,000 barrels of oil obtained each year in the United States may be estimated to produce 1,870,000,000 gallons of gasoline, figuring the proportion at 17 per cent. The addition to this of the amount produced from casinghead gas—which is a negligible quantity compared to that from petroleum—will give the limit of gasoline production in the United States. At the same time there appears to be no limit to the building of engines requiring its use. The oil industry and the engine manufacturers have recognized for many months that some substitute must be found for motive power, or the price of gasoline would reach a point that would make its use prohibitive except by the wealthy, and this would seriously affect the builders of all kinds of motors. The oil man was interested since some grade of his product must naturally be the most serviceable, and if kerosene or crude could be used, it would mean a larger consumption and prospective better prices for oil.

The most important experiments that have been made to increase motive power have been largely mechanical to permit the use of kerosene and crude. A few inventors have turned their attention to peat, denatured alcohol, benzol and like substances, but it is generally recognized that the amount that could be obtained from these would be too small to materially affect the supply. There is nothing so cheap, so satisfactory and so common as petroleum. It can be purchased in all the markets of the world, and is easily transported. Therefore inventors are turning their attention to making it possible to use other and any grades of petroleum. A western engineer recently designed a carburetor fitted to either gasoline or kerosene. To test it thoroughly, he ordered the tank of an auto to be filled with gasoline, and without letting the driver into the secret, changed to kerosene. The car was run on the latter article for two days without the driver knowing it. At Indianapolis recently an economy test was made on four different kinds of fuel—60 and 62 degree gasoline, 43 degree kerosene and ordinary kerosene. The result was that the low grade kerosene made 32.2 miles to the gallon; the high grade kerosene, 21.6 miles; 60 gravity gasoline, 20.4 miles, and 62 gravity gasoline, 20 miles. In speed tests also kerosene won out, producing greater speed to the amount consumed than any of the other grades.

From such results it must inevitably follow that gasoline will soon lose its place as the one fuel product for motors, and other grades of petroleum will come into general use.

## FRANKLIN WINS FROM VIRGEN.

Franklin and Virgen mixed in a ball game Sunday when the former won by a score of 5 to 3. The fielding of Teany of the Franklin team was a feature of the contest.

R. H. E. Franklin ..... 5 11 3

## THE TEMPERATURES.

The temperatures for Monday, according to G. H. Hall, weather observer at Alexander were maximum 89, minimum 62.

## WILLIE GRAY RECEIVES

## BAD CUT IN CHEST

Daniel McNamara Lodged in Jail Charged With Doing the Cutting—Chicken Stealing Alleged as Cause of Melee.

As the result of an altercation between Daniel McNamara and Willie Gray (colored), the latter is a patient at Passavant hospital with a bad wound on his chest. It is said the trouble between the men was occasioned by the loss of some chickens in that community, which Gray was charged with taking.

Both men reside at the corner of Independence avenue and North Sandy street. Monday night about 5:30 o'clock Gray went over to Mr. McNamara's place, according to story of McNamara, when the chicken question was brought up and the men came to blows. Mr. McNamara claims that Gray had a club. At any rate after the melee was over, Gray had a bad gash which started from the left side of his neck and extended diagonally across the chest. The knife penetrated some of the small branches of the anterior jugular vein, causing considerable hemorrhage. He also had a cut across the nose. He was put under arrest by Chief of Police Davis and Officer Tuitt, who secured the delivery wagon of Edward Schaub and he was taken to Passavant hospital, where he was given medical attention by Dr. C. E. Black and Dr. George Stacy. It is not thought his wounds are serious.

McNamara was put under arrest by Officer Tuitt. When taken to the county jail he was searched and a razor and knife were found on his person.

Gray resides in a house owned by Frank Gorman. Mr. Gorman has been trying for some time to get him out of the premises but without success. It is said that Monday Mr. Gorman went before a justice of the peace to secure papers which would oust Gray. It is said that when Gray learned of the proceedings he at once suspected that Mr. McNamara had a hand in it. McNamara is a hod carrier by occupation.

Our annual reduction sale is now on, all suits and trousers made to your measure at reduced prices for 30 days. Muchhausen Bros., Tailors, South Sandy street.

## MAY USE WARD SCHOOL YARDS FOR PLAYGROUNDS

Board of Education Grants Permission At Meeting Monday Evening.

At the meeting of the board of education Monday evening permission was given the Play Grounds association of Jacksonville to use the second, third and fourth ward school yards as play grounds under the direction of Mr. Ruyter, the director. This favor was asked of the board with the play pageant in mind which is to be held just before the chautauqua. Children living out of the first ward would have found it difficult to go all the way to the play ground for Mr. Ruyter's drill. The director asks the children of the different wards meet at the school buildings at the following days from 9 until 12, the schedule to begin Wednesday.

Monday and Thursday at the second ward school.

Tuesday and Friday at the third ward school.

Wednesday and Saturday at the fourth ward school.

To make room for fall goods, we are offering some great bargains in suits and trousers. Muchhausen Bros., Tailors, South Sandy street.

## PRINCESS MAIDS AT THE GRAND.

Douthitt & Jones with their "Princess Maids" played to two packed houses last night at the Grand and to say the people who gained admission to the house were pleased would be putting it mildly. They were delighted for never before has the Grand presented such a musical comedy bargain.

Manager Hunt is to be congratulated for bringing such a show to Jacksonville as it is one his patrons can safely take wives and sisters to and feel sure there will be nothing said or done to mar their pleasure.

The play presented last night will again be given tonight. The members of the company are talented and the performance was excellent.

The parts played by Miss Creed, Miss Berry, Miss Hagher and the popular Douthitt & Jones were all capital and the musical numbers were far above the average.

## DON'T FAIL TO VISIT OUR STORE DURING OUR JULY CLEARANCE SALE.

## STRAUSS' EMPORIUM.

## NO INJUNCTION FILED.

There were a number of rumors current Monday to the effect that Dr. L. H. Clampt would file during the day injunction proceedings to prevent the city council from appointing a member of the board of education from the third ward in his stead. When asked about the matter Mr. Worthington of Worthington, Reeve and Green, attorneys for Dr. Clampt said that they had not filed such a bill and did not know that such a bill would be filed. Mr. Worthington said, however, that they had furnished Dr. Clampt an opinion expressing the belief that he is still a member of the board and is qualified to act.

\$2.50 Round trip to Chicago via Wabash.

## WILL LEAVE FOR CALIFORNIA.

Mr. and Mrs. Robert Mutch and children will leave today for Los Angeles for an extended visit and may make their home in that city.

### EXTENSION SECRETARY FOR STATE ANTI-TUBERCULOSIS SOCIETY HERE

Miss Harriet Fulmer Meets Local Workers At Meeting Last Night —To Organize Leagues in This District.

Miss Harriet Fulmer, extension secretary for the Illinois State Anti-Tuberculosis association arrived in the city Monday and met the officers of the Morgan county association and others interested in the work at the office of Dr. Josephine Milligan Monday evening at 8 o'clock.

In speaking of her work last night Miss Fulmer said that she came here at the invitation of the Morgan county association for the purpose of organizing leagues in each of the counties of this congressional district. "I came here from Richland county where a new league has just been organized and incorporated," said Miss Fulmer, "and it is the plan to use the same constitution and bylaws that were adopted by that association, in others that are to be organized. According to present plans meetings of representative citizens in the counties where no association has been formed, will be called, probably in the county seat, and it will be explained to them that a league is to be formed under the auspices of the state association. Then of course, they will choose their officers, and according to the constitution and bylaws, will elect delegates who will act as members of the state board.

"The plan is to get the masses of the people interested in the work and not form leagues composed of only members of the medical profession. The large masses in the rural districts are the ones to be educated in the movement and another thing the league is not to dwell on diseases, but on those things which promote health."

The meeting held Monday evening was for the purpose of discussing the details of the work to be done in organizing the different counties. Miss Fulmer, who is to work in this district for a month, will leave either this evening or Wednesday morning for Mt. Sterling and organize a league in Brown county, returning to this city afterward. At Mt. Sterling Wednesday a picnic is to be held and Miss Fulmer will be accompanied by Miss Geneva Morrison, who is to appear on the program.

### GASOLINE HOLDERS MUST BE PAINTED RED.

New Law Passed by Recent State Legislature.

J. C. Wood, Chief of the Jacksonville Fire Department has received from F. R. Morgaridge, assistant state fire marshal a copy of bulletin No. 14, which is addressed "To all mayors, Chiefs of Police, Chiefs of Fire Departments in Illinois which in part is as follows:

"The Forty-eight general assembly passed an act prescribing a color and label for gasoline receptacles. Many serious accidents and a great many deaths are caused each year in this state through people mistaking gasoline for kerosene. This law provides that all receptacles for holding gasoline shall be painted red and shall be labeled with the word 'gasoline.' It is made a misdemeanor, punishable by fine, for any retail dealer to sell gasoline to any person unless it is put into a red receptacle so marked 'gasoline.'"

The following is a verbatim copy of the Bill:

"For an Act prescribing a color and label for gasoline receptacles. Section 1. Be it enacted by the People of the State of Illinois, represented in the General Assembly: That all receptacles for gasoline used in the retail trade shall be red, and shall be labeled 'gasoline' in letters of a contrasting color and of a height of not less than one-half inch; and it shall be unlawful, in such retail trade or anything pertaining thereto, to put gasoline into any receptacle of any other color than red or not labeled as above required.

"Section 2. Any person violating the foregoing section of this Act shall be subject to a fine of not less than ten dollars."

**MIDDY BLOUSES, \$1.50 VALUES ONLY 79c.**

### WHITE SOX AT WINCHESTER.

The White Sox returned home winners over Winchester Sunday 7 to 3. Simms of the Sox pitched a fine game having 18 strikeouts and giving but four hits. Buck should have had a shut out but costly errors gave Winchester three runs. The fielding and hitting of Clark and House featured the game. Next Sunday the White Sox will play Franklin.

Score: R. H. E.  
White Sox ..... 7 13 4  
Winchester ..... 3 4 4  
Batteries—Simms and Clark; Buy and Matthews.

**\$2.50 Round trip to Chicago via Wabash.**

### A. A. CURRY PURCHASES FARM.

A. A. Curry of the Jacksonville National bank has purchased the Harding farm, located seven miles west and south of Ashland. It is a farm of 200 acres and the price paid was \$117.25 per acre. The land was sold at auction by Jerry Cox.

### MORTUARY

#### Steele.

Mary Isabelle Steele, the subject of this sketch, and daughter of Michael H. and Martha E. Steele, was born six miles east of Murrayville, July 27, 1873.

She "remembered her Creator in the days of her youth," and at the age of thirteen years was converted to the Christian religion and united with the Youngblood Baptist church, where she lived a consistent Christian during the remainder of her life.

On November 8, 1892 she was united in marriage with Chas. H. Whitlock, and to this union three children were born, namely: Stella now the wife of S. L. Spencer, Ethel and baby, Wayne, at home.

For several months she had been in declining health, and with all that loving hands and skillful physicians could do she continued to grow weaker until the end came at six o'clock p. m., July 3, 1913.

Sympathetic by nature, she always found time to help any in distress, and gave a word of cheer to those in trouble. Naturally quiet in disposition, she chose to do all the good she could, with as little display as possible.

Truly she was an everyday Christian, a loving companion and mother, and a real neighbor in the community.

The funeral sermon was preached at the Youngblood church by the Rev. Carey Fitzgerald, of Whitehall, Ill., after which interment was made in the nearby cemetery, where her remains were laid to rest along side her father, mother, and only sister, so the family so long broken are now united to await the coming of the husband and children.

The bearers were Payton Henry, J. M. McNeely, Louis Sooy, Frank Edwards, G. A. Grider, L. A. Dalton. Music was furnished by a quartet composed of Miss Harriet Story, Mrs. Guss Seymour, Raymond Campbell and L. A. Seymour.

#### Chappee.

Charles Chappee died Monday afternoon at the Jacksonville State hospital. The remains were prepared for burial at the O'Donnell undertaking parlors and last night were sent to Jerseyville, his former home.

#### Hitt.

Mrs. Libbie Hitt, wife of the late Captain Henry W. Hitt, died Monday at 12 o'clock at her home at 329 South Church street. She passed away just ten days after the death of her husband, who departed this life Friday morning, June 27. Mrs. Hitt, who was for nine years an invalid had been completely prostrated since her husband's late departure. She was under the constant care of her aunt, Mrs. Samuel Mosler of Winchester and her sister.

ter in law, Mrs. William Stevenson of White Hall.

Miss Libbie Stevenson was born in Newark, N. J., January 7, 1844. She was the daughter of William and Ann Stevenson who removed to Exeter, Scott county, Illinois, when their daughter was a small child. She was married to Captain Hitt, January 28, 1874 in Exeter, Mr. and Mrs. Hitt removed to Jacksonville twenty-seven years ago where she has always been known as a woman of the highest Christian character. Through her long period of ill-health she has shown remarkable patience and long suffering and cheerful endurance.

Mrs. Hitt is survived by one brother, William Stevenson of White Hall and one sister, Mrs. Ella Hawk of Sanger, Calif. She was preceded in death by three brothers: Thomas, Herbert and Charles Stevenson. Three sisters passed away before her, Mrs. Belle Hitt, the first wife of her husband, Mrs. Kate Hedler and Fannie Stevenson. Two stepchildren remain, Elisha Hitt of Springfield and Mrs. Sarah Crane of Middleton, Conn.

The deceased was a member of Grace M. E. church where she was a willing and a faithful worker so long as her strength permitted. She was beloved by all who knew her for her faithfulness to duty and gentleness of character.

The funeral will be held from the house Wednesday morning at 10 o'clock. The Rev. J. W. Miller of Grace M. E. church will preach the sermon. Interment will be made in Diamond Grove cemetery.

#### Arbuckle.

Gabriel Arbuckle who has been for some time a patient at the Jacksonville State hospital, died at that institution at 3:40 o'clock Saturday afternoon, at the age of 61 years. The remains were cared for at the undertaking rooms of J. H. O'Donnell. Interment was made Monday afternoon in Diamond Grove cemetery.

#### Flood.

Katie Flood a colored patient from Adams county died Saturday morning at 1:50 o'clock at the Jacksonville State hospital at the age of 55 years. The remains were prepared for the casket at the O'Donnell undertaking parlors and shipped to Quincy for burial.

#### Handy.

Martha Handy, aged 70 years, died Sunday night at 11 o'clock at her home, 509 South West street. The remains were taken to the Reynolds undertaking establishment and funeral services will be held this afternoon at 2:30 o'clock at the A. M. E. church. Interment will be made in Jacksonville cemetery.

#### Crane.

Funeral services for Mrs. Ella Crane were held at the late residence, 223 West College avenue, Sunday morning at 9 o'clock in the presence of a large number of relatives and friends. The services were impressively conducted by Rev. F. A. McCarty, assisted by Rev. G. W. Flagg, pastor of Centenary M. E. church. Music was furnished by a quartet composed of Mrs. Gertrude Richardson, Miss Clara Ransom, M. L. Robinson and T. H. Rapp, and the many beautiful flowers were cared for by Mrs. Cronk, Mrs. Gillham, Mrs. Kolp and Miss Clara Swain. The bearers at the house were Dr. C. E. Cole, Dr. T. O. Wakley, Dr. T. J. Pittner, Dr. George R. Bradley, Dr. David Reid and Dr. George Stacy. Interment was made in Hebron cemetery, near Sinclair, and the services at the grave were in charge of Rev. H. F. Cusic. The bearers at the cemetery were J. C. Strawn, Philip Hopper, George Benson, Gus McNeal, N. B. Fox and Jacob Strawn.

The funeral of Miss Mary Dickens was held from the M. P. church in Chapin Sunday afternoon at 2 o'clock in charge of Rev. Frederic Baylis, assisted by Rev. C. D. Hougham of the Christian church. Music was furnished by the church choir and the flowers were cared for by friends. Interment was made in the Jordan cemetery.

**\$2.50 Round trip to Chicago via Wabash.**

### WILL TRAVEL IN FRANCE AND SWITZERLAND.

Miss Nellie Epler, daughter of Mrs. C. Epler of West State street, who recently left for Europe to spend the summer, has planned to spend most of her time among the Alpine peaks of Switzerland and in viewing the scenery and art galleries of the republic of France.
